FOOD SAFE

0.05 mm
WALL THICKNESS

240 mm
MINIMUM LENGTH

AQL 1.5
PINHOLE TEST

Product

Material	Copolymer / acrylonitrile butadiene methacrylic acid
Design	Ambidextrous, beaded cuff
Surface	Textured fingers
Colour	Black
Sterility	Non-sterile
Powder	Residual powder < 2.0 mg/dm²

Thickness, single wall

Fingertip	0.05 mm
Palm	0.05 mm

Sizes

SIZE	LENGTH (MM)	PALM WIDTH (MM)
XS (5–6)	min. 240	< 80
S (6–7)	min. 240	80 ± 10
M (7–8)	min. 240	95 ± 10
L (8–9)	min. 240	110 ± 10
XL (9–10)	min. 240	> 110

Use

- Suitable for food handling.
- Single use. Dispose of after use.

Physical properties
